Metal cage for Harbour lampshade

Finish: White

Description

The industrial touch of this metal cage is perfect for stylishly protecting the bulbs in Harbour lampshades. Ideal for any environment, indoor or outdoor.

Not just aesthetic: its sturdy structure ensures that the light bulb is safe from accidental knocks, while also ensuring optimal light diffusion. The dimensions of this metal cage, 400 mm in diameter and 95 mm in height, make it a versatile product, suitable not only for the Harbour lampshade by Creative Cables, but also for many others.

Data Sheet

Dimensions:
Diameter: 400 mm
Height: 95 mm

Material: metal

To clean the cage, detach it from the lampshade and use a soft, dry cloth. For stubborn dirt, lightly dampen the cloth with water and a neutral detergent, wring out the excess liquid, and gently rub.

You can match the cage with the Harbour lampshade.
